

## S k i t o u r s i n M o n t a f o n

When choosing your tour, please consider the snow and weather conditions. It is essential to have the proper mountain equipment for these tours. Please conserve nature and avoid descents through young forests. Please observe the signposted descent routes and prohibited areas.

Our qualified mountain and ski guides can take you on a fantastic adventure. They know the local ski, weather and avalanche conditions and can contribute to an unforgettable day's tour.

For further information please contact Montafon's ski schools or the local Tourist Offices.

### **Hüttle: centre for freeriders and tourers**

Hüttle is the project of a passionate mountain enthusiast. It offers an optimum start point for activities in Montafon. Avalanche and high altitude tours are offered, in cooperation with the Burton Snowboard Company and the Mountain Guides Montafon. Those interested can deepen their knowledge of ski touring and test current materiel. The European Splitboard Festival brings together the growing community of snowboard tourers in Montafon. The climax is the fun race called "Climb the mountain". With its one-week deep-snow course Hüttle offers a further highlight: a Powder Ladies World Champion introduces ambitious skiers to the technique of deep-snow skiing.
